

Exhibit 1 – Securitization Termination

Securitization Termination: Total pre-plan benefits to be awarded and/or distributed to bondholders under the RSA on certain presumed Effective Dates for a Plan under a Securitization Termination.

Assumptions:

- 90% of the bondholders that are currently supporting the RSA start accruing an administrative claim on May 1, 2019 and the remaining 10% of the bondholders start accruing an administrative claim on December 1, 2019 (collectively, “All Supporting Holders”)
- Based on the current PREPA 9019 RSA hearing date of December 11, 2019, settlement payments are assumed to commence in January 2020 [Section 5(c)(iv)]

² \$792 million in interest accrued from July 2, 2017 through May 1, 2019 (calculated based on data provided in Table 2 of David Brownstein’s Declaration) [Docket No. 1426]

³ Per Amendment No. 3 dated September 9, 2019, to the definitive RSA (“Amended RSA”), under a Securitization Termination, All Supporting Holders will be deemed to have an allowed secured claim in a face amount equal to 73.25% of the Applicable Bond Claim (principal amount of PREPA bonds plus accrued interest at the contract rate through May 1, 2019)

⁴ Increased Settlement Payments begin in April 2021 [Section 2(e) of the Amended RSA], after which settlement payments and accrued interest are almost the same (~\$30mm per month); thus, the administrative claim (net of settlement payments) does not grow materially after April 2021. Settlement payments are based on monthly sales projections reflected in the April 2018 PREPA Certified Fiscal Plan, Base Case (p.41).

⁸ Reimbursement of fees and expenses for National and Syncora are \$1.2 million and \$0.5 million, respectively, for the period prior to June 1, 2019 and \$130,000 per month for each commencing on June 1, 2019 [Section 22(b) of the Amended RSA]
